Ad 2.) changes catalogue/s

You find the latest versions of our catalogues on www.ural.cc/b2b (User: ural-dealer password: br0815ille). Please always use the latest version.

ID 2803

ET IMZ-8.1037-18021-30, Switch rightside from 2007 until 2013

The combination switch with light switch for models 2007 until 2013 is unfortunately out of stock for a long time. However, there is a demand for equipping newer vehicles with light switches. We have achieved at Domino that such combination switches are rebuilt for us, we will be able to deliver again from August 2019.

Ad 3.) www.ural.cc/efi

There are new documents for the use of the current diagnostic tool 2019 or how to properly set Ural motorcycles from the year of construction 2019.

These documents can be found at www.ural.cc/efi (user: ural-efi password: br0816ille).

Further information and translations will follow.

Ad 4.) Reminder: Ural manuals

We are very sorry that there are still no manuals available for the models from 2019 onwards.

We are currently working on a German version. This should be available next week.

Ad 5.) limited office operation from 3rd until 7th of June 2019

2/3 of the office staff are from 3rd until 7th of June 2019 with Uralists from South Africa and Russia on Austria-Italy-Slovenia round trip. Michaela holds the position in the office as best as possible. However, the office operation will still be limited. We thank you for your understanding of any delays during this period.

Best regards
